Legacy Pledge Form

If you have decided to leave a bequest or legacy to The Kidney Fund it would be helpful to us to know that you have done so. It will help us plan for the future and give us the opportunity to thank you.

Please complete all details below. Remember, this is not a legally binding document and please be assured that all the information you provide will be treated with the strictest confidence.

I have remembered The Kidney Fund in my will by leaving:

- A pecuniary gift (a sum of money)
- A specific gift (a specific item, an area of land, or even your home)
- A reversionary/life interest gift (after the death of a beneficiary, the gift reverts to The Kidney Fund)

If you would like to tell us the approximate value of your intended gift, please state here: _____

I would like my gift to be used in the following way:

- Unconditional. Gifts given on an unconditional basis allow us to address our most pressing need at that time
- To fund a named research Studentship (a 3-year studentship costs approximately £150,000 at 2019 levels)
- To fund a named research Fellowship (a 1-year fellowship costs approximately £80,000 at 2019 levels)
- A large piece of laboratory equipment (e.g incubator, ultra-freezer, approximately £5-£10k)
- Continuing summer studentship @ £500 per year (to fund a young person for a 4-6 week working in the Renal laboratories)

Please complete the information on the following page.

Legacy Pledge Form

Title: _____

First Name: _____

Middle Name(s): _____

Surname: _____

Address: _____

Postcode: _____

Email: _____

Phone: _____

Date: _____

Following probate, I would like my gift to The Kidney Fund
